FOR IMMEDIATE RELEASE

Delivering on Sustainability: Corrie MacColl forms Cameroon Sustainability Council

- The Cameroon Sustainability Council (“CSC”) was formed on 16 April 2019, with the inaugural group of members comprising distinguished delegates from leading international companies, NGOs and Cameroonian organisations

Singapore, 23 April 2019 – Corrie MacColl is committed to developing its upstream business to unite the seemingly opposed agendas of ecological conservation, and socio-economic development. The CSC brings together international, multi-stakeholder individuals along the value chain. The Founding Members are outstanding individuals representing leading institutions in business, politics and NGOs, who are deeply committed to monitoring the implementation of the Group’s Sustainable Natural Rubber Supply Chain Policy (“SNRSCP”) and other external party recommendations. The Council will act independent of management and shareholders and has extensive rights of information, consultation and initiative.

Founding members of the CSC are:

- **Mr Abraham Baffoe**, Africa Regional Director - Proforest
- **Mr Daniel Flynn**, Chief Operating Officer - Continental American Corporation, d.b.a Pioneer Balloon
- **Mr Edouard de Rostolan**, CSR Manager - Société Des Matières Premières Tropicales Pte Ltd (SMPT)
- **Mr Abdou Lasine**, Head of Environmental Audits - Ministry of Environment, Nature Protection and Sustainable Development, Cameroon
- **Mr Kamguem Dieudonné**, Resource of Ministry of Environment - Ministry of Environment, Nature Protection and Sustainable Development, Cameroon
- **Mr Mvondo Martin Paul**, Head of Sub Department of Seeds and Seedlings - Ministry of Agriculture and Rural Development, Cameroon
- **Mr Ze Efemba Salomon**, Teacher and Representative of Local Community - Bitye Village
- **Ms Ellen Kondracki**, VP Sustainability and EHS – BD (Beckton, Dickinson and Company)
- **Mr Kevin Nelson**, SVP & Chief Procurement Officer - BD

[END]

Notes to editor:

About Corrie MacColl

At Corrie MacColl, we take a modern approach to fair and sustainable value creation in the origination and distribution of natural rubber. The Group owns three plantations in Cameroon and Malaysia, producing certified environmentally and socially sustainable natural rubber. The Group's historical annual distribution volume of 500,000 tonnes is sourced through a globally diversified procurement reach and distributed through an extensive logistical asset network of warehouses, terminals, laboratories and sales offices in key markets. These are backed by a dedicated technical advisory and support unit. Corrie MacColl is headquartered in London and employs over 7,500 people, across 19 cities. Corrie MacColl is a member of the Halcyon Agri Group.

About Halcyon Agri

Halcyon Agri (SGX: 5VJ) is a leading supply chain franchise of natural rubber with a production capacity of 1.63 million metric tonnes per annum. The Group owns 38 processing factories in most major rubber producing origins and produces sustainable natural rubber under the audited HeveaPRO brand. The Group leverages its extensive network of warehouses, terminals, laboratories and sales offices across the world to distribute a range of natural rubber grades, latex and specialised rubber for the tyre and non-tyre industries. Halcyon Agri is headquartered in Singapore and has about 17,000 employees in over 50 locations. Please visit us at www.halcyonagri.com.
